

CASA MASTER EVENT

Friday March 18th, 2016, 14:00 - 18:00 h

VU, De Boelelaan 1085, Room F123

Our students (and prospective students) are in the spotlight at the CASA master event.

- MSc students will present examples of successful internships
- Useful information for students will be presented
- Students can find projects (and staff can find students)
