

Ewoud van Tricht

Analytical Scientist in Janssen,
Infectious Diseases & Vaccines (IDV)

MSc Analytical Chemistry UvA

External PhD VU – Janssen – Uppsala (from 2014)

Promotors: Prof. Govert Somsen and
assoc. prof Cari Sänger – van de Griend

Publication: Talanta Volume 144, 1 November 2015, Pages 1030–1035

Main expertise

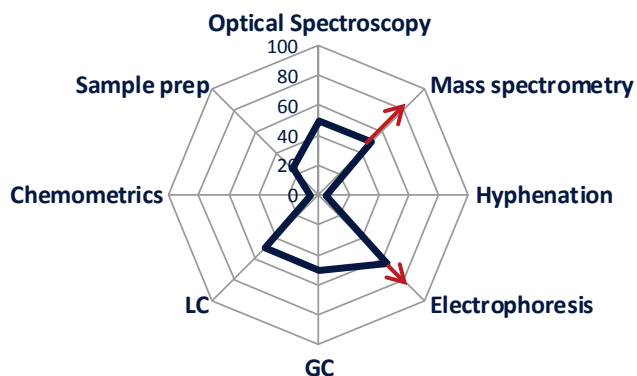

Viruses

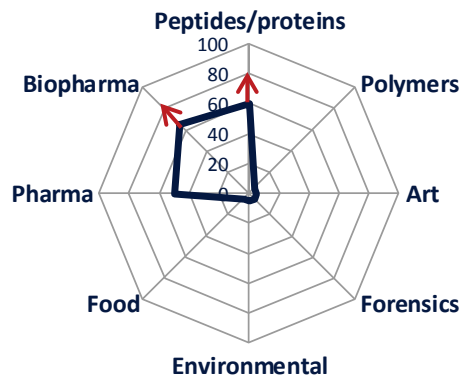

Electrophoresis

Analytical competence

Application fields

Other

> Viruses, virus-like particles
